SKATEBOARDING VERT HALF PIPE

INTRODUCTION:

Dear Friends,

This communication will provide our international membership with important details about the Skateboarding World Championship held during the Nanjing Roller Games.

The first-ever World Championship titles awarded by FIRS for Skateboarding will be for the discipline of Vert Skateboarding (halfpipe). At the exact location where skateboarding debuted in Nanjing as a part of the Sports Lab during the 2014 Youth Olympic Games.

The event will unfold over a 4-day schedule beginning on Thursday the 7th of September. Registrations are available for 2 female and 2 male athletes from each member nation. In order to guarantee open and inclusive participation of riders around the world and field a comprehensive list of Vert's elite athletes, FIRS will allocate Wildcards where needed.

Further communication will follow regarding contest format and exact schedule for the event.

REGISTRATION :

Please find enclosed the registration form for each athlete to the World Roller Games to be sent within July 05th. Please revert the form completely filled-out to: **secretariatrg@rollerports.org**

ENTRY FEES:

The payment should be sent within July 05th. Please check all details on the REGISTRATION FORM.

VENUE:

Sport Lab is a full-size vert ramp will be set up to serve as the “field of play.” The massive structure is 21m wide and 4.5m high, made from 22 tons of steel structure with a composite riding surface. This will be the stage for the best female and male vert skateboarders to contest the World Championships of Vert Skateboarding.

Looking forward to seeing you all in Nanjing,

Kind regards

Roberto Marotta
